

## Workstation Footrest

(Part No.: 1740.001 )

- Enhances the ergonomic sitting comfort
- Rugged metallic construction
- Static dissipative, anti-skid mat
- Complies with EN 61340-5-1
- Colour: black
- Height and inclination adjustable
- Ground cord with 10mm snap / 4mm ring terminal (Part No.: 2250.758)
- Complies with DIN 4556
- GS certified

Size: 45 x 35 cm  
Weight: 3,8 kg

**Height adjustment span:**

Front: from 3 to 11 cm  
Rear: from 6 to 17,5 cm

**Electrical properties:**

	Test standard	Typical value	Requirements
Resistance to groundable point $R_G$	EN 61340-4-1	$10^6$ - $10^7 \Omega$	$\leq 1 \times 10^9 \Omega$ EN 61340-5-1
Wearer overall resistance $R_{ESYSTEM}$	EN 61340-4-5	$10^6$ - $10^8 \Omega$ (depends on shoe type)	$< 3,5 \times 10^7 \Omega$ EN 61340-5-1 note 2

**To adjust your footrest to the desired height:**

1. Turn the latch 90° to the right or left position
2. Four adjustable positions.  
To lock-in the chosen position, push back the latch.
3. In order to reach the best possible individual height, additional adjustment of the four legs is possible.
