## WILEY X LAUNCHES NEW POST TO THE WX PATRIOT AND SPEAR

The new POST is mounted in the frame on WX PATRIOT and SPEAR goggles. The post is significantly more comfortable and sturdy than the previous one.

From now on, we only need to use the RX-insert CHX to these goggles.

The CHX-Insert can be used for the following models: WX PATRIOT, SPEAR and WX TALON.

It also means that our WX PATRIOT with DUAL lenses can be made with correction now.
