► Eyeware

► **BEST OF SHOW**—Hamlin is one of Costa del Mar's new models with the company's patented 580 mirror lenses, now available in super-light, impact-resistant polycarbonate, \$179—costadelmar.com.

► **EDITORS' PICKS**—Wiley X adds two new versions of Arrow, with matte frames in black or white with lenses polarized with the company's Filter 8 technology. Like all Wiley X models, they meet ANSI High Velocity High Mass Impact Safety standards—wileyx.com.

► Fishsmart Tackle

► **BEST OF SHOW**—The Cuda Grip & Scale can grab and weigh fish up to 50 pounds on an integrated scale. The handle has non-slip scale pattern grip, while the jaws are aluminum alloy, \$54.00—cudabrand.com.

► **EDITORS' PICKS**—The Bucket Grip is a simple attachment that fits on the bottom of a 5-gallon bucket to prevent it from tipping, slipping, or dripping. UV-resistant rubber won't mar surfaces—bucketgrip.com.

To keep wacky worms rigged right, or other softbaits on jigheads, Never Slip Bait Tape offers a solution. Colored strips of tough tape bond together to keep baits secured—neverslipbaittape.com.

PST™ coating and high-floating Dyna-Tip™. To give you control when you need it most.
