

# WypAll<sup>®</sup> ForceMax

## Industrial Cloths

### THE #1 USER PREFERRED CLOTH<sup>1</sup>

- Consistently preferred by users over rags and laundered cloths<sup>1</sup>
- Strong and durable with a cloth-like feel
- Superior oil and grease removal
- Absorbs 40% more oil than rags, and absorbs it 5x faster<sup>2</sup>
- Embossed cloth provides bulk and extra scrubbing power for tough cleaning tasks
- A clean, consistent cloth every time
- A perfect partner for the WypAll<sup>®</sup> Quarterfold Dispenser (7969)

**The #1  
user preferred  
industrial cloth<sup>1</sup>**

### ENGINEERED TO CUT WASTE

- Self-dispensing case with measured stacks helps users control cloth consumption
- Occupies 68% less space than rags<sup>3</sup>
- Reduces waste disposal by up to 78% vs rags<sup>3</sup>

1. Results of Hall Test research conducted by Sapio Research Agency July 2017  
2. Results of Laboratory Tests July 2017  
3. Comparison based on average WypAll<sup>®</sup> cloths usage vs average rag usage
