30 % Elastane

Use

Complementary accessory for direct protection against
splashes and fluid droplets.
Compatible with goggles and surgical masks, FFP2,
FFP3 and duckbill. It does not provide respiratory
protection against biological agents. It is not a medical
device and does not eliminate the need for a mask.

Cleaning conditions

OPERATING LIFE
The useful life of the article depends on the cleaning
cycles. It should be replaced as soon as it starts to
show a whitish hue.

MAINTENANCE AND CLEANING / HYGIENE CARE
It can be washed with warm water and soap or, prefer-
ably, disinfected with ethyl alcohol (minimum 70 °).
