

DESIGN and HIGH CAPACITY
Top of range coatstand

FUNCTIONAL

High storage capacity

CYPRES coatstand is equipped with 8 triple coat pegs on a high quality steel arm: the maximum storage capacity is 24 clothing. The rotating head enables to put this coat stand in the angle of an office or against a wall whilst facilitating the access to the coats.

DESIGN

Protective and design coat pegs

CYPRES's triple coat pegs have been created to preserve the integrity of the clothing. Made of recyclable aluminium, they contribute to the innovative design of the product with their dynamic and pure lines. Available in black or metal grey.

THE ADVANTAGES

UNILUX touch

CYPRES is equipped with a height adjustable umbrella stand. Capacity: 6 umbrellas. Large drip tray. 6 kg-weighted base to ensure the steadiness of the structure.

“ CYPRES combines high welcoming capacity and contemporary design. ” High quality finish.
