ISCR.R.I.VERONA, COD.FISC.e P.IVA 03580030231 - CAP.SOC. 8.000.000,00 € I.V. - R.E.A.348225

#### Instructions for use

- (i) Type or types of food these products are intended to come into contact with:  
Dry, watery, acid, alcoholic, fatty and dairy
- (ii) Time and temperatures of treatment and preservation in contact with food:  
10 days 40°C  
2 hours 70°C
- (iii) Ratio between the contact surface of food and the volume used to determine product food conformity:  
6 dm<sup>2</sup>: 1 kg

The limit of the global migration together with all other specific restrictions to which monomers and additives contained in the material might be subject, is fulfilled in the above mentioned Use Directions. This statement is supported by analytical tests or based on theoretical calculations about migration of substances performed in accordance with directives DM 21<sup>st</sup> of March 1973, where applicable. Calculations have been made considering that 1 Kg of food get in touch with 6 dm<sup>2</sup> of product.

Comments: Do not use in traditional or microwave oven.

---

This statement is issued according to the legislations cited above and is intended to:

**FAERCH PLAST NORDEN**

---

This statement is valid as from the date below and will be replaced in case of substantial changes in the production of material that can change some of the essential requirements for conformity or whenever the relevant legislation is amended and updated so that a new conformity control is required. The declaration has a validity of 24 months maximum.
