

## 6012671 BLUESTAR MULTI SAND NITRIL

### DESCRIPTION

The glove has a tight fit, that provides a firm grip, also at precision work, that requires high tactility.  
 The palm and fingertips are dipped with nitrile with sandy finish, which ensure extra firm grip of oily and slippery objects.  
 The glove is very comfortable, flexible and breathable – also it has a very high abrasion.  
 The knitted wrist provides a firm fit around the wrist.

*Print and color may vary.*
