

KLEVER KUTTER™

NSF FOOD ZONE

KCJ-1SS

Uniquely designed for foodservice and high-sensitivity environments.

The only concealed safety cutter that is NSF® Food Zone Certified, available in HACCP aligned colors, and infused with KLEEN™ Antimicrobial!

- NSF Food Zone Certified
- Proudly made in the U.S.A.
- Infused with KLEEN™ Antimicrobial to prevent the growth of bacteria on the product
- FDA-compliant, durable plastic material
- Concealed blade design helps protect food and goods from damage during cutting, and reduces the risk of hand injuries.
- Rust-resistant stainless-steel blade
- Ergonomic handle with non-slip texture and lanyard hole
- Commercial dishwasher and Autoclave safe
