

**10 days of intensive teaching  
in a study environment with  
full catering**

### Training and certification for FROSIO inspector

The FROSIO course is intensive learning in English, which is why AMU-Vest has launched a completely new concept:

- ♦ ***Study environment: Teaching, homework groups, catering and accommodation at the same location***
- ♦ ***Admission test is mandatory***
- ♦ ***Teaching in English with focus on the core meaning of the word and terms***
  - ***Good English skills required***
- ♦ ***Newly developed teaching material, with a focus on the individual learning method***
- ♦ ***Study groups in the evening, where the teacher is available***
- ♦ ***The study groups are formed in agreement with you and are voluntary***
- ♦ ***Self-study is necessary and with support from the teacher***
- ♦ ***Weekend stay 18 & 19th. November is an option.***

***The goal is to create an inspiring learning environment for professional employees in a job with great responsibility!***

# Accommodation Snepsgård

- Delightfully large, open school environment, with plenty of space for both companionship and independent work (Wi-Fi is available throughout the school)
- Beautiful landscape just outside the window! We are situated in a very attractive area and have over 542 acres of land. You will find both woods and great hiking and cycling opportunities. Our nearest neighbor is a golf course.
- Fitness room including treadmill, exercise bike, weights etc.
