

To our suppliers

## **Requirements from our customers, the EU Regulation (REACH) and Danish legislation**

We are writing to you to get information on substances in the products you supply to us. If there are substances on the "Birn Negative List" which are contained in the products you provide to us and which has a content that is greater than the listed value, then please fill in the attached form (Appendix 1) and send it back to Vald. Birn A/S.

The information will be used to document the requirements of our customers, the EU Regulation (REACH) and Danish legislation on chemicals.

Please specify the product name, substance, CAS Number and amount of substance in weight%. If there are no substances on the "Birn Negative List" in the delivered products, then please confirm it by a signature on appendix 1. This information must be returned to us as soon as possible, or within 14 days.

- Appendix 1: Answer Sheet
- Appendix 2: Excel spread sheet - Birn Negativ List.xls

Best regards,

**Henrik Gregersen**
