

Professional cleaning courses for Housekeeping

Elevate Your Skills with 6 Essential Modules in English

Housekeeping teams play a crucial role in creating a welcoming environment for guests. To excel, employees must master high-quality cleaning techniques, prioritize hygiene, use cleaning chemicals correctly, and plan their work efficiently.

AMU-Fyn offers 6 targeted courses in English to support these essential housekeeping skills:

Ergonomics in Professional Cleaning

Learn to use ergonomically correct postures and techniques to minimize physical strain during tasks such as pushing, lifting, and using cleaning tools.

Detergents

Master the selection and dosing of cleaning agents to effectively remove impurities while considering environmental and safety factors.

Basic Cleaning Hygiene

Gain fundamental knowledge of microorganisms and hygiene practices to prevent the spread of infection and maintain high standards of cleanliness.

Microfibre

Understand the properties of microfiber, and how to use and maintain it properly for different surfaces to ensure hygiene and reduce physical strain.

Service in Professional Cleaning

Develop skills in cooperation, flexibility, and communication to enhance service quality and positively impact user perception.

Optimization of Cleaning Methods

Implement efficient, systematic cleaning processes that prioritize tasks, optimize resources, and suggest improvements based on cleaning plans and agreements.

Finances during the course

A fee will be charged according to current regulations. You can find the rates for participant fees on our website. Participants within the AMU target group may apply for wage compensation during the course.

Price: DKK 208 per course day per participant within the AMU target group.

Participants who live more than 24 km from their home to the educational location (round trip) are entitled to transportation subsidies. However, this does not apply if the training takes place at a company location. Transportation subsidies can be applied for when enrolling in AMU courses via www.amu-fyn.dk.
