

**Product  
specification**Date: 08.08.2013  
Dept. ZEW / Vertrieb  
Name: BIEDA J

Customer:	<b>PaperlinX 7500 Holstebro</b>	
Article no. customer:	<b>266063</b>	
Article no. supplier:	<b>177789</b>	
Size (internal dimension):	<b>750 x 1.150 x</b>	<b>0</b>
Typ of packaging:	<b>Zuschnitt 0110</b>	
Packaging drawing (CAD):	<b>D110012</b>	
Weight of packaging:	<b>340 g ± 8 %</b>	
Board grade <sup>1)</sup> :	<b>VDW 1.03 E BRAUN/BRAUN</b>	
Klingele code:	<b>E418.105.418</b>	
Paper grades <sup>2)</sup> :	Outer liner	<b>130 g/m<sup>2</sup> Testliner braun</b>
	E-flute	<b>90 g/m<sup>2</sup> Wellenstoff</b>
	Inner liner	<b>130 g/m<sup>2</sup> Testliner braun</b>
Recycled content:	<b>ca. 100 %</b>	
Printing:	-	
Colours <sup>3)</sup> :	-	
Closure:	<b>unverschlossen</b>	
Delivery:	Bundle	<b>0 St./Pack</b>
	Stacking	<b>1 x 1.000 St.</b>
	Pieces on pallet	<b>1.000</b>
	Hight incl. pallet	<b>1.800 mm</b>
	Pallet type	<b>Euro-Palette</b>
	Pallet cover	<b>Wellpappe</b>
	Pallet strapping	<b>2-Fach quer ( breit )</b>
	Pallet wrapping	-
Recommended stock and converting conditions:	<b>18 - 23 degree Celsius and 45 - 65 % rel. humidity</b>	

---

*Remark: Replaces all former editions.**Footnote:*

- 1) Target values in accordance with the current DIN 55 468-1 standard, for E-flute these are recommended values only. The technical properties of our corrugated board products can only be guaranteed 6 months after delivery if correct storage is assured. Manufacturing tolerances to VDW Inspection Catalogue.*
- 2) All papers comply with the current statutory provisions of the German Federal Institute for Risk Assessment (BfR) and with Recommendation XXXVI of its Plastics Committee. The basis weight tolerances are ± 4 %, a customary value worldwide. Due to scheduling or production engineering reasons, the application of similar or better papers is possible.*
- 3) The water-based flexographic printing inks comply to the EuPIA exclusion list for printing inks.*
