Dear Sir,

This is to certify that the following european directives

- **2000/53/EG**
- **2011/65 EU update** (Previous Directive 2002/95/EG)  
→ **shortform: RoHS** (Restriction of the use of certain Hazardous Substances in electronic equipment)
- **2012/19 EU update** (Previous Directive 2002/96/EG)
- **2003/11/EG**
- **2004/19/EG**
- **ILRS /VDA - Liste 232-101** (Replaced by GADSL)
- **2006/122/EG**

are not applicable to our products, i.e.:

<b>UNIPACK</b>	-	<b>self-adhesive document pouches</b>
<b>DEBAGRIP</b>	-	<b>resealable grip bags (*)</b>
<b>DEBASAFE</b>	-	<b>security bags (*)</b>
<b>DEBAPOST</b>	-	<b>mailing bags</b>
<b>DEBABAG</b>	-	<b>flat bags (*)</b>

Please also note that, as per manufacturers' confirmation, all material supplied is in full compliance with the below listed Directives / Regulations / Recommendations:

- **EU Directive 76/769/ECC**
- **Germany Chemical Protocol**
- **Montreal Potocol**
- **Denmark No. 1012 Directive**
- **Norway: MVD Regulation 1544**
- **FDA 21 CFR 177.1520**
- **FDA 21 CFR 175.105**
- **BfR recommendation III**
- **BfR recommendation VII**
- **EU guideline 67/548/EG**
- **Guideline 1999/815/EG Ersetzt durch 2005/84/EG (Phthalate)**
- **EU directive EG/1935/2004 (\* only for Debasafe, Debagrip, Debabag)**
- **EU directive EU 10/2011**

- **EU guideline 90/128/EWG und 2007/72/EC concerning materials and plastic objects which are intended to come into contact with foodstuffs**
- **EU guideline 94/62/EG concerning packaging and packaging waste**
- **EU guideline 76/769/EWG concerning restrictions for hazardous substances**

Substances referred to in the Chemical Act and being part of the list of banned substances, i.e. heavy metals and azo-dyes, have been entered in the German Regulations for packaging. The limiting values of the materials used in our production fall below the therein indicated maximum permissible values.

The regulations respective FCKWHVV are not applicable to our products.

## REACH

We confirm, that all products which we deliver to our customers,

No substances from the candidates list (Stand 27.06.2018) confirm article 59 (1) of the regulation (EG) Nr.1907/2006 ("REACH") (<http://echa.europa.eu/de/candidate-list-table>) contain in our products.

Our company is aware of the requirements made by the REACH regulation for deliveries to our customers.

- As required by the REACH regulation, our safety data sheets will be amended to comply with the standard form prescribed in section 31, and our customers informed of the respective registration numbers as soon as these are issued.
- All substances defined by REACH as such, preparations of substances, or substances which are contained in products and are intended to be released, are pre-registered or registered by our suppliers in full compliance with the REACH regulation and before the stipulated deadline. In particular, this applies to substances or products which could be relevant for deliveries made to you.
- By passing on information in full and without delay, we support you in meeting your reporting obligations and risk minimisation obligations. We are aware of the documentation requirements along the supply chain, and will meet these obligations accordingly.

Our target is a fast and uncomplicated communication with our customers regarding the REACH – Regulation. Our contact person for REACH is:

**Name:** Elke Reiser
